Founder & CEO
141 Mountain Top Road
Bernardsville, NJ 07924

Dear Dr. DePaço,

With the deepest of gratitude, the entire Peapack & Gladstone Police Department extends our most sincere thanks both you and Summit Nutritionals International, Inc. for your very generous donation. Through your act of kindness and support, we intend to purchase new duty firearms, shotguns, and optics.

Our shotguns are over thirty years old and the majority of them no longer function. The shotguns we intend to purchase are a huge update. The firearms and optics we will be obtaining, are Glock's newest weapon and will undoubtedly improve our entire department's marksmanship. This is obviously of the utmost importance to us.

Our department is limited in budget and resources and without your backing we would never be able to make these improvements. Over the past several years, you have shown your unwavering support for not only the Peapack & Gladstone Police Department, but law enforcement as a whole. It is extremely comforting to know that not only in times of need, but at all times you are on the front line with us.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen C. Ferrante", written over a horizontal line.

Stephen C. Ferrante

Chief of Police
