Attn: Caesar DePaco, President,

I am writing to extend my deepest appreciation for your generous support and steadfast commitment to law enforcement. Your remarkable donation of \$162,894, which provided bulletproof vests for our officers, stands as a testament to your dedication to the safety and welfare of our law enforcement community.

Through your generosity, you have made a lasting and significant difference in the lives of those who protect and serve.

On behalf of the men and women of the Essex County Sheriff's Office, I sincerely thank you for this extraordinary contribution. Your continued support is deeply valued, both by myself and by our entire law enforcement family, and your efforts ensure that those who risk their lives each day are given the protection they deserve.

With gratitude,

Sheriff Amir D. Jones
